Cost-efficient and compact colour solutions

MP C2030/MP C2530 Aficio™

Colour flexibility
for all office types

The demands on office document production rise ever higher. Colour use is increasingly becoming a standard, but document outsourcing eats away at your budget. Gestetner's MP C2030/ MP C2530 constitute a welcome alternative. Productive, flexible and compact, these colour MFPs offer excellent value for your money. Discover how all the capabilities you require can fit inside a slim design.

• Sharp and high-quality colour output with new PxP™ toner.

• Excellent productivity at 20/25 ppm in both colour and B/W.

• Duplexing at simplex speed.

• Exceptionally wide media handling.

• All-round functionality: copying, printing, scanning and faxing (optional).

Covering your entire workflow

Superb colours
Your colour output will look crisp and accurate due to the MP C2030/MP C2530's PxP™ toner. Quality remains consistent even during longer runs. Print resolution is an excellent 600 dpi.

Standard printing capabilities
The new MP C2030/MP C2530 have all basic printer features as standard. Enjoy their functionalities with the straightforward icon-based RPCS™ driver, or with the optional PCL driver. Your B/W copies can even be sorted electronically for extra convenience.

Wide media range
Creating reports, handouts or flyers? The MP C2030/ MP C2530 handle a truly wide variety of paper types. They accept sizes between A3 and A6, from light (52 g/m² via the bypass tray) to heavy (256 g/m² via standard and bypass trays). Glossy and coated papers or card stock are processed effortlessly. Even envelopes and transparencies can conveniently be fed via the standard bypass tray.

Reliable engines
The MP C2030/MP C2530's engines are the fruit of years of Gestetner expertise. Their new tandem 4-drums design ensures reliable operation. A simplified paper path reduces the risk of jams, and your machine is continuously available. With a maximum paper capacity of 1,600 sheets, refills are kept to a minimum.

Excellent productivity
Duplex printing at simplex speeds: not all machines can do it. The MP C2030/MP C2530 print and copy at 20/25 ppm in both monochrome and full colour. First copy speed is less than 6.5 seconds for B/W and less than 9.5 seconds for full colour.

We think green, and you?
'Green' is not just a colour for Gestetner – it is an attitude. Our PxP™ (polyester x polymerisation) toner is produced with significantly less carbon oxide emission than conventional toners. A more direct benefit for you is the MP C2030/ MP C2530's standard duplex unit. Saving paper is kind to the environment as well as to the company budget.
